

SMOKE IN THE VALLEY 2019

The Canisteo Police Club and the Maple City Police Club are both non-for-profit organizations that were designed to promote interaction, and understanding, between members of local law enforcement and the communities we serve. Further, to serve as an example to the community by displaying the traits that embody excellence in public service. These traits include fairness, compassion, honor, respect, honesty, integrity, and community service.

These two clubs have teamed up to host an inaugural Smoke in the Valley Event held on Saturday July 27th, 2019 at the Canisteo American Legion. This event will include a large BBQ competition battle that will convey teams from all over the Southern Tier, along with tastings from several local breweries/wineries/cideries; 10 hours of live music from 4 different bands; amateur and professional corn hole tournaments; a horseshoe tournament; kids' activities; plenty of food and drinks as well as a variety of raffles throughout the day. We are in hopes to have hundreds of people attend this event and grow from year to year. Our clubs want to continue to give back to our communities and its members for the support they give to us. We are currently seeking sponsorships from local businesses and organizations to assist with this upcoming event to make it a huge success. With your support and generous donation we will be able to make this event successful.
